Optimal Personalised Treatment of early breast cancer using Multi-parameter Analysis

Recruitment update:

In April, **46 new participants** were recruited into OPTIMA.

Total recruitment to date: 2569

OPTIMA Main - 2157 participants

OPTIMA prelim - 412 participants

Top 10 recruiters for 2021

Site Name:	Participants recruited:
The Christie	10
Oslo University Hospital (Norway)	10
Royal Alexandra Hospital, Paisley	9
Ostfold Hospital, Kalnes (Norway)	8
Velindre Cancer Centre	7
Royal Devon and Exeter Hospital	6
Royal Albert Edward Infirmary, Wigan	6
Sorlandet Hospital, Kristiansand (Norway)	6
New Victoria Hospital, Glasgow	6
Charing Cross, London	6

Keep an eye out for the next 'Lunch with OPTIMA'

Date TBC

The meeting will focus on the recent changes made to the Tissue Transit form and will provide Site staff an opportunity to ask any questions about how to complete this form.

Further information and Teams meeting link will be sent via email in due course.

What should I be sending to the lab...?

Along with the tumour sample, HSL-AD only require copies of the Tissue Transit Forms and anonymised Pathology Reports.

Please do not send any CRFs to HSL-AD. These should be sent to WCTU only.

Tumour blocks and required paperwork should be posted to the lab at the below address:

**HSL-Advanced Diagnostics
Ground Floor
60 Whitfield Street
London
W1T 4EU**

Please also remember that no patient identifiable information should be sent to the WCTU or to HSL-AD. WCTU and HSL-AD do not need copies of patient consent forms.

Welcome to the OPTIMA Team!

Amy Broadfield joined the WCTU OPTIMA team as our new Trial Coordinator on 24th May 2021.

Welcome to the team!

Contact Us

OPTIMA office 02476 151948 optima@warwick.ac.uk

QRS 01179 287296 carmel.conefrey@bristol.ac.uk

As of 26 May, over 200 patients have consented to take part in OPTIMA this year so far, from a total of 68 hospitals throughout the UK, Norway and Sweden.

This is a massive achievement and we want to thank all of our hard working teams. Keep up the great work!

Qualitative Recruitment Study Patient Interviews

Thank you for identifying patients for interview as part of the QRS.

We've now reached a point where we're happy with our initial findings and so we've decided to pause patient interviews for now.

We hope to share our findings at a 'Lunch with OPTIMA' session in the early summer. In the meantime, if you have any questions about the interviews, please feel free to contact us directly: Nicola.farrar@bristol.ac.uk, carmel.conefrey@bristol.ac.uk

Thank you again for your contribution to this work, Nicola and Carmel.
