Optimal Personalised Treatment of early breast cancer using Multi-parameter Analysis

Recruitment update:

In April, 48 new participants were recruited into OPTIMA.

Total recruitment to date: 4316

Recruitment countdown:

0 5 9 4

May Bank Holiday

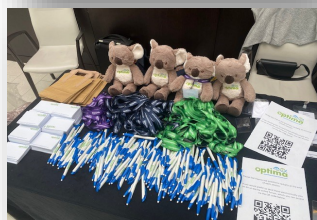

A friendly reminder that the trials unit will be closed on **Monday 27th May**. The OPTIMA trials office and randomisation service will also be closed.

Allocations are expected to be processed on **Tuesday 28th May**.

Please bear this in mind when booking in patients.

OPTIMA INVESTIGATOR MEETING 2024

A big thank you to everyone who attended the **Investigator Meeting** at the **Royal College of GPs** yesterday, including our speakers, and to Veracyte for funding the day. Below you can see a few snap shots from the day.

One of the main take home messages was **KEEP GOING!**

We're so close to our final recruitment target and it's important that we continue to **recruit** patients, **retain** patients and **complete all data** items in order for us to have a definitive answer to this important question.

Slides from the meeting will be circulated ASAP.

Finally, don't forget to leave your feedback for the meeting here: [OPTIMA Investigator Meeting Feedback Form](#)
