

# Newsletter November 2023

Optimal Personalised Treatment of early breast cancer using Multi-parameter Analysis

## Recruitment update:

In October, **33 new participants** were recruited into OPTIMA.

**Total recruitment to date: 4022**

**OPTIMA Main - 3616 participants**

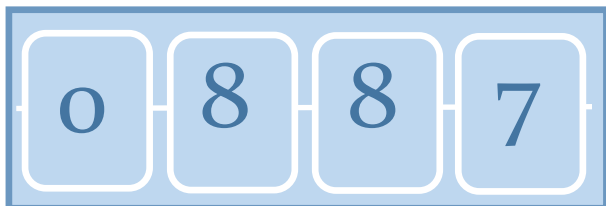

**OPTIMA prelim - 412 participants**

## Recruitment milestone:

We are so pleased to announce that we recently hit **3600 participants** recruited to **OPTIMA Main!**

We are now under **900 participants** away from hitting our recruitment target!

## Recruitment countdown:

## Christmas Mailout

Keep your eyes peeled for a Christmas mailout this year that will include a 2024 OPTIMA desk calendar! As we enter our final year of recruitment it is really important to keep OPTIMA in your thoughts when seeing patients.

## Welcome to Dom!

We're excited to welcome **Dom De Souza** to the OPTIMA Team at WCTU.

Dom was recently appointed as our new trial coordinator, We're very pleased to have him helping out with the ever expanding management of OPTIMA!

## CHRISTMAS TIMELINE

An official postcard with more information will be sent to all Sites in due course, but please be aware that **samples received by the cut off on Wednesday 13th December** will be processed and allocations are expected to be **sent to sites on Monday 18th December.**

**This is the last allocation before the New Year.**

Samples received at the lab **after Wednesday 13th December** (but before noon on Wednesday 27th December) will be processed and allocations are expected to be sent to sites on **Wednesday 3rd January 2023.**

**Please bear this in mind when booking in patients over the festive period.**

## CRF 7

We recently made a change to CRF 7, which was emailed to main site contacts, data contacts and ISF contacts.

Please can you begin to use this document immediately.

The only change is to question **7.1.4: Chemotherapy details**. The form now asks you to confirm the **Dose given** (mg).

An updated ISF Version Control checklist will be sent to Sites in due course.

We are also in the process of updating CRF 11, 12 and 14. These changes will be sent to sites in due course.

## Overdue CRF reports

We are in the process of contacting Sites to let them know what CRFs we are expecting. Although we are going through these on a Site-by-Site basis, and will get to everyone eventually, please do email us if you would like us to send you an updated list of overdue CRFs

**OPTIMA Trials Team: 02476 151057 | Randomisation Line: 02476 150402**
