

Newsletter February 2024

Optimal Personalised Treatment of early breast cancer using Multi-parameter Analysis

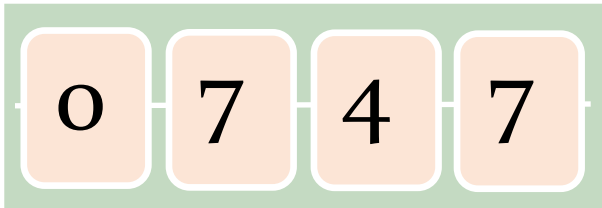

Recruitment update:

In January, **47 new participants** were recruited into OPTIMA.

Total recruitment to date: 4165

Recruitment countdown:

Per Patient Payments

We have recently contacted sites to let them know what CRFs we are expecting that will enable them to invoice for patients. We require copies of CRFs 1-6 for this to occur.

Many thanks to the sites who have sent these through!

CRFs for ineligible/withdrawn patients

We still require CRFs 1-6 for ineligible patients in order for sites to invoice.

We would also expect to receive the following data (provided the patient is happy to be followed up):

General information:

- Randomisation Form
- Baseline Details Form
- Baseline Biopsy & Surgery Form
- Baseline Pathology Form
- Baseline Tumour Characteristics Form

Treatment information (any which are applicable):

- Non-protocol Treatment Form
- Chemotherapy Form
- End of Chemotherapy Form
- Radiotherapy Summary Form
- Hormone Therapy Form

Follow-up information:

- 12 Month Follow-up Form

Plus any ad-hoc forms (form #s 13-20) as applicable.

The reason we would like to collect this data is because the trial analysis should ideally include all patients randomised.

Please let the trials unit know if you have any queries.

Thank you!

Easter bank holiday timelines

Please be aware that the Warwick Clinical Trials Unit (WCTU) will be closed on Friday 29th March and Monday 1st April for Easter.

The Central Lab (HSL-AD) will also be closed, so there is a change to the processing run W/C Monday 25th March.

The processing run will begin on Tuesday 26th March 2024

(normally Wednesday)

Treatment allocations will be on Tuesday 2nd April 2024

(normally Monday)

Please bear this in mind when sending samples to the lab and booking in patients.

Investigator Meeting—Save the date!

We are excited to announce another OPTIMA Investigator meeting in 2024!

DATE: 22nd May 2024

This will be a face to face meeting, in London.

Further information, including venue, programme and registration link will be circulated ASAP.

We very much hope you will be able to join!

Lunch with OPTIMA

Many thanks to all who joined the tissue transit form training session yesterday. The session will be repeated on Tuesday 5th March. The slides will be available on the website following the session. Please email us for the dial in details if you would like to join the session!
